## Christmas Newsletter 2025

2025 has been a year filled with achievements and shared learning alongside you, our valued partners. We are excited to highlight some of the results we've reached together:

- 690 families are now more food secure because of your efforts
- 180 families have improved their homes, with new roofs, walls, cement floors, latrines, improved stoves, among others.
- 390 children have improved their height and weight and thereby reducing malnutrition.

In addition, Kenoli in 2025:

- In May, hosted its 5th Regional Forum, bringing together 46 people from El Salvador, Honduras, Nicaragua, Guatemala, and Canada. The event addressed urgent regional issues including climate change, migration, early childhood development, and gender equity.
- 3 new groups began projects: 1 in Nicaragua (ALDEMA) and 2 in Guatemala (Voces y Manos and Vivamos Mejor).
- Hosted 12 online training sessions, which covered themes, such as gender equity, agroecology, early childhood development, and the use of Excel.

These achievements are the result of our collective efforts, and we are proud of the progress we've achieved together.

On behalf of the Kenoli team, we extend our heartfelt thanks for your dedication in 2025. May this Christmas and New Year season be filled with joy and harmony with your loved ones, and, may 2026 open new paths for learning, growth, and shared accomplishments.

With gratitude,  
*Vera, Ken, Magda, Enrique, Nely, Balvina, and Adilia*
